

WOW! What an incredible week with an amazing group of women and men who share our passion for the Roundup experience. Thank you for being a part of the 2009 Reunion -- YOU truly are the reason we had such a wonderful week. By now, we hope that you are back into the routine of your daily lives, while savoring the wonderful memories of an awesome week together.

The Reunion committee is thrilled that you were able to come to Colorado and to share in our beautiful state. It was special to hear your stories, make new friends and celebrate the old, sing those familiar songs (weren't the acoustics wonderful?), re-visit the 1959 Roundup event sites, and share in the memories of Roundups past. And during the auction we raised \$5,402 for the four WAGGGS World Centers, plus an additional gift that put the total at \$5,900 - for the '59 Roundup!

Thank you for your understanding when the few glitches appeared -- the last minute dorm changes to CC Inn, and the airport delays -- but like true Girl Scouts we were "prepared," dealt with them, and moved on. Next time we will order better weather - unless it is more fun to be able to tell your friends about the snow on Pikes Peak in July! And like you, we look forward to 2012 in Vermont.

We want to share some of the comments we received:

"I'm still amazed at the wealth of experiences that we as women have encountered as we have moved through our lives with the background that Girl Scouting gave us. We are

collectively a tribute to all that girls/women can become in the 21st century.... It feels like we're still making a difference."

"...One of the most delightful Girl Scout experiences I've ever had."

"I'm so glad I came - I had an absolutely wonderful time with so many memories to cherish for a long time to come."

"I'm still humming and singing and smiling.....everyday was made special by all of you..... and the joy you gave to all of us."

"It was simply a 'hoot' and I look forward to seeing you all in Button Bay in 2012."

"The reunion renewed my Girl Scout spirit and I have re-joined as a lifetime-member."

"It was one of the best times of my life!"

We will keep you informed as plans materialize for 2012 in Vermont. In the meantime, be sure to watch the website for reunion news and the Snapfish site for additional pictures:
